

We're excited to host your event at our venue! To ensure a wonderful experience, please take note of the following guidelines:

- **Kindly refrain from bringing lawn chairs inside the facility. Instead, we recommend using bleacher chair backs or similar accommodations for your comfort.**
- **Limited parking is available in front of the facility. Please use the designated loading/unloading zone in front of the building for dropping off teams, equipment, and/or elderly individuals. Subsequently, drivers can find nearby on-street parking and utilize public parking lots.**
- **Concessions are cash-only. An ATM is conveniently located across the street to the west.**
- **We do not allow metal or high heel shoes.**
- **On-site water dispensers are available, along with men's, women's, and family restrooms.**
- **Food consumption is restricted to the lobby area, while bottled/sealed drink containers are permitted in the gyms.**

Thank you for your cooperation, and we hope you have a fantastic time at the Salina Fieldhouse!

Travis Scheele

Recreation Superintendent
